

BOOK REVIEW

THE TALKING SKULL

NAME

DATE

1. At the beginning of the story, do you remember what the skull said when it was asked by the man, "What brought you to this sorry state brother"?

2. What do you think about the man's character only concerning himself with intellectual matters?

3. Do you think the Chief and the villagers made the right decision by kicking the man out of the village?

4. Were you surprised when the skull started talking again after the man was kicked out of the village? Do you think he made the right decision in bringing the skull back to the village to show it off to everyone?

5. What do you think the moral of the story was?
